## Enrolling in Medicare — three simple steps:

If you're age 65 or no more than three months away:

1. Enroll for Medicare Part A (hospital insurance) and Part B (medical insurance) now by visiting [www.socialsecurity.gov/medicare/apply.html](http://www.socialsecurity.gov/medicare/apply.html) or calling Social Security at 800-325-0778.
2. Chat with a Mylo advisor at 844-893-9881 for a custom consultation on the Medicare package that makes sense for your needs and budget. That could include options like:
  - **Medicare Supplement (Medigap):** Helps you make payments not covered by Parts A and B
  - **Medicare Part D Prescription Drug Plan:** Reduces the cost of prescription drugs — which lowers your overall health care costs
  - **Medicare Advantage:** Offers prescription drug coverage (Part D), Part A and Part B in one plan
3. Choose the policy you want. Mylo will help you enroll.

## Already have Medicare? You can make changes.

Medicare Open Enrollment is **October 15 - December 7** (subject to change)

- Change to a Medicare Advantage plan

- Switch from Medicare Advantage to standard coverage
