
THE UNITED METHODIST CHURCH

THE BUSINESS OF THE ANNUAL CONFERENCE

Part I (Questions 1-12) omitted for the Clergy Session Report as this section includes general leadership and/or church information which does not require presentation to or action by the clergy session. Questions 10-12 are included for DS review pre-Clergy Session and removed/hidden for the Clergy Session report.

Even though the clergy session is taking place June 9, 2022, all information in this report is intended to represent the Great Plains conference as of July 1, 2022. Because of publication date for Clergy Session, this is an “in process report” with information based on reporting received by May 20, 2022. Information and/or changes received after May 20, 2022, will be incorporated into the final report. Because of the overlap between preparation for this Clergy Session report and a number of planned District Committee on Ordained Ministry (DCOOM) meetings/actions, persons with a confirmed date of DCOOM action happening after May 20 but before July 1, 2022, are highlighted to indicate the identified status is conditional on affirmative DCOOM action.

The complete Business of the Annual Conference report, including Part I (Questions 1-16) will be printed in the 2022 Conference Journal and available on the Great Plains Conference website at a later date.

PART II PERTAINING TO ORDAINED AND LICENSED CLERGY
