

UNITED METHODIST OPEN DOOR, INC.

United Methodist Open Door began in 1965 as United Methodist Urban Ministry. It was started by a group of Methodist clergy and laity who felt that the church should be more responsive to the needs of society. In 1981, as deep cuts were made in many social programs, the agency became more involved in direct service to the community. The name of the organization was changed in 2007 to better reflect its mission.
