

As United Methodists, we care deeply about developing young leaders.

- We want to be a blessing to your incoming college students as we remember that the United Methodist Church has connections at campuses and throughout the states.
- Send your graduating students names and email so that the campus pastor can send them a free gift and extend hospitality to them as they transition to the next chapter.
- You may upload your church's college list to www.greatplainsumc.org/studentcontact or contact the campus minister directly.
- All information given will be held with utmost respect and will not be used for spam or bothering uses.
- This message is in accordance with United Methodist Book of Discipline, Paragraph 247, "The charge conference shall receive a report on the names and addresses of college students to send to the United Methodist campus ministers and chaplains."
- Questions, contact Rev. Nicole Conard, Young Adult Leadership Development, nconard@greatplainsumc.org. w
