2018 CC - VISION AND GOALS/OUTCOMES FOR 2019

Each congregation is asked to report progress on goals/outcomes in 2018 and plans for goals/outcomes in 2019.

You may use this form or another format to provide this information.

Check with your district office for special instructions.

For assistance with setting goals/outcomes, refer to the Vision and Goal Process or the Outcomes Process available at www.greatplainsumc.org/chargeconferenceresources.

Vision:

Compare your 2017 end-of-year stats with your progress so far in 2018 (found in executive summary of Vital Signs dashboard and on statistical Table 1): Do these numbers indicate areas for improvement? What can you do to increase your vitality in these areas? Think about these questions in setting goals/outcomes and strategies.
