

Great Plains Conference Lay Leadership Development Laity Event

Location: Norfolk Westridge UMC, Norfolk, Ne

The United Methodist Church seeks to fulfill its global mission through the Spirit-given servant ministries of all Christians. As a part of this mission, lay servant ministries focuses upon two key elements of leadership development within the conference:

- Developing spiritual leaders. Recognizing that the church is most fruitful when the gifts of all its members are employed in service to Christ, we will encourage the ministry of the laity with both leadership training and spiritual growth opportunities.
- Building lay and clergy partnerships. We will offer lay and clergy leaders processes and opportunities to strengthen their partnerships as spiritual leaders so that the gifts of each can be used to build up the whole body of Christ.
